Many parents today need care for their children before and after school, and Lakewood Catholic Academy is pleased to have these services offered through the **St. James Child Care Center**. The Center has operated its own distinguished full-day child care program at St. James Parish, one of LCA's founding parishes, for more than ten years, and when LCA was launched in 2005 established the before and aftercare program here. The St. James program offers a success-oriented curriculum that includes a wide variety of activities and choices offered under a set routine. Personal discipline, social development and emotional well-being, as well as recreational, health and safety skills are emphasized through the following activities:

- Setting and meeting daily responsibilities, such as cleaning up
- Quiet time to work on homework individually or with adult or peer help as needed
- Daily open-ended art projects that are adapted to each age group
- Daily opportunities for reading
- Opportunities to participate in small group games, which provide basic skills such as sharing, taking turns, and respecting others
- Group and individual play in the gym or on the school's spacious and beautiful grounds
- Hands-on science activities using everyday products
- Opportunities for daily imaginative play
- Music & dance activities
- Math activities that include matching, ordering, and sorting games, and the opportunity to apply arithmetic problems in everyday situations
- Daily reinforcement of health, hygiene and classroom safety

Research has shown that children who attend high quality programs have better peer relations, emotional adjustment, skills, grades and conduct in school compared to those who are not in after care programs. St. James Child Care Center School-age Program completes the educational setting for Lakewood Catholic Academy and is an integral part of our educational program. The program is open to all children in grades kindergarten through eight. **(Please note: because of licensing restrictions, the Before and After-Care Program is not available for preschool children.)**

**Hours of operation for the Before and After-Care programs are from 7:00 to 8:00 a.m. before school, and from 3:00 to 6:00 p.m. after school, every day that school is in session.** Full-day care is available on days when there is no school, and the program also operates during summer vacation for full-day sessions.

**Attached is a sheet detailing pricing and registration information about the program. Feel free to contact Center director Cathy Preto or Assistant Director Tracy Patton at 216.521.4125, or Site Coordinator Eileen McDonnell at 216.521.0559, extension 3038.**
