

Before and After Care Program

Lakewood Catholic Academy is pleased to provide a quality Before and After Care Program that meets the needs of parents who require before and after school supervision for their school age child(ren) in grades kindergarten through eight. Personal discipline, social development and emotional well-being, as well as recreational, health and safety skills are emphasized through the following activities:

- Quiet time to work on homework individually or with a teacher's help as needed
- Daily opportunities for reading
- Opportunities to participate in small group games, which provide basic skills such as sharing, taking turns, and respecting others
- Group or individual play in the gym or on the schools beautiful grounds
- Opportunities for daily imaginative play
- Daily reinforcement of health, hygiene and classroom safety
- Opportunities to develop self-discipline through adherence to regular routines and responsibilities

The hours of operation for the program are from 7:00 to 7:50 a.m. before school and from 3:00 to 6:00 p.m. after school, every day that school is in session. Full-day care is available on select days when school is not in session, based on the amount of children that need care for those days. The program also operates during summer vacation for full-day sessions.
