

## **HOUSEHOLD INCOME INFORMATION**

On the back of this letter you will find a form entitled "Schools Title I Eligibility for 2016-2017." Household income information for all LCA families is used to determine the amount of Title I funding available to the school as a whole. Please note that the household income of any one particular family does not ensure the availability of Title I funding for that family's child(ren). Once the total amount of Title I funding available to LCA is determined, additional criteria will be used to identify specific students who will be eligible for Title I services. This information will remain confidential.

Please note that a separate form is available if you are interested in applying for free/reduced lunches through our dining program.

**This form must be completed by ALL FAMILIES with students in full-day preschool through 8<sup>th</sup> grade, regardless of participation in Title I tutoring services.**

**PLEASE COMPLETE FORM ON REVERSE SIDE.**
