LAKEWOOD CATHOLIC ACADEMY

SUMMER ASSIGNMENTS FOR STUDENTS ENTERING GRADE 2

SUMMER IXL MATH ASSIGNMENTS

To be completed at the Grade 1 Level no later than June 30.

Heading	Skill	Description of Skill
Counting and Number Patterns	A.15	Even or Odd
Counting and Number Patterns	A.20	Sequences-Count up and down by 1, 2, 3, 5, and 10
Place Value	M.4	Convert between tens and ones
Money	Q.2	Names and values of all coins
Money	Q.8	Purchases: Do I have enough money?

To be completed at the Grade 1 Level no later than July 31.

Heading	Skill	Description of Skill
Addition	D.19	Add a one-digit number to a two-digit number-with regrouping
Subtraction	H.10	Subtraction word problems-numbers up to 18
Mixed Operations	J.9	Add and Subtract tens
Money	Q.4	Count pennies, nickels, dimes, and quarters
Money	Q.5	Equivalent groups of coins

*Please Note: Occasionally IXL adds skills over the summer, which affects the skill numbers. When in doubt, follow the description of the skill, rather than the skill number.

SUMMER READING ASSIGNMENTS

1. Read one fiction book of your choice at or above the Grade 1 reading level.

2. *The Camping Trip that Changed America* by Barb Rosenstock
