

Tier II Parish Certification and Agreement

LCA offers a second tier (Tier II) tuition rate for Catholic families who are members of parishes that do not subsidize tuition. Tier II permits families who are members in good standing at their parish to receive a discounted tuition rate as well as benefit from the multiple child discount. All families seeking the Tier II tuition status are required to complete this form, request their Pastor's signature and then submit it to LCA with their registration materials by the registration deadline. This form must be completed annually in order to maintain Tier II status. Once received by LCA, the form will be reviewed by the LCA Pastor Designate for approval.

Dear Father,

The following is our family's agreement to support our parish in consideration of receipt of Tier II tuition status at Lakewood Catholic Academy.

1. My/Our family is currently registered at _____.
I/We make every effort to attend and participate in Sunday Mass and attend Mass on Holy Days of Obligation. We do so not only for our own spiritual benefit, but to assure that as part of their Catholic education, our child/children receive the same spiritual benefit.
2. I/We will do our best to support my/our Parish financially and to participate in the Parish community in non-financial means as well, such as volunteer activities and participation in Parish life events.
3. I/We recognize the importance of Catholic education at all levels, including our Parish PSR program.

I/We understand that by signing this letter, my/our family will be eligible to participate in the family multiple-child discount plan and be charged a tuition that is significantly less than the actual cost of their education. I/We also understand that failure to fulfill this agreement may lead to loss of this special tuition status.
