

SUMMER ASSIGNMENTS FOR STUDENTS ENTERING GRADE 4

SUMMER IXL MATH ASSIGNMENTS

To be completed at the Grade 3 Level no later than June 30:

Heading	Skill	Description of Skill
Mixed operations	M.1	Addition, subtraction, multiplication, and division facts
Mixed operations	M.2	Complete the addition, subtraction, multiplication, or division sentence
Mixed operations	M.3	Multiplication and division facts up to 5: true or false?
Mixed operations	M.4	Multiplication and division facts up to 10: true or false?
Mixed operations	M.5	Multiplication and division facts up to 12: true or false?
Mixed operations	M.6	Multiplication and division sentences up to 12: true or false?
Mixed operations	M.7	Add, subtract, multiply, and divide
Mixed operations	M.9	Addition and subtraction word problems

To be completed at the Grade 3 Level no later than July 31:

Heading	Skill	Description of Skill
Mixed operations	M.8	Add and subtract data from tables
Mixed operations	M.12	Addition, subtraction, multiplication, and division word problems
Mixed operations	M.13	Perform multiple operations with whole numbers
Mixed operations	M.16	Two-step mixed operation word problems
Equations and variables	O.1	Identify equations
Equations and variables	O.2	Solve for the variable: addition and subtraction only
Estimation and rounding	P.4	Rounding puzzles
Estimation and rounding	P.6	Estimate sums

*Please Note: Occasionally IXL adds skills over the summer, which affects the skill numbers. When in doubt, follow the description of the skill, rather than the skill number.

SUMMER READING ASSIGNMENTS

1. Read one fiction book of your choice at your child's guided reading level.
2. *Ryan and Jimmy: And the Well in Africa That Brought Them Together (CitizenKid)* by Herb Shoveller

SUMMER MATH AND READING ASSIGNMENTS

The following is an overview of your child's required math and reading assignments for the summer months. Please see the assignment sheets for each grade level, posted on our website, for a more detailed summary of summer assignments

SUMMER IXL MATH ASSIGNMENTS

Every child who is entering grades 2 – 8 will be expected to complete a series of IXL math exercises. Please note that, unless otherwise indicated, the exercises are to be completed at the grade level your child is now finishing. Students should work until they have received a Smart Score of 80. As you will notice, some of the skills must be completed by June 30 and the remaining skills by July 31. Your child's current math teacher will be monitoring this site during the summer; however, it is your child's responsibility to complete the assignments. Successful completion of these exercises in grades 5-8 will be counted as a first quarter grade. Progress will be monitored and noted for students in grades 2-4.

SUMMER READING ASSIGNMENTS

Every child entering grades 1 – 8 is expected to complete a summer reading assignment. Upon completion of each book, students in grades 2 – 4 are asked to complete an activity from the Summer Reading Tic-Tac-Toe form, found on our website. Students in grades 5-8 are asked to complete one fiction and one non-fiction book report form, also found on our website. These completed forms **must be submitted by Tuesday, September 3rd**. Please note that separate requirements for students entering grade 1 are found on their assignment sheet.

Book reports will count toward the first quarter reading grade. Students in grades 5-8 will be graded using the rubric found with the summer reading assignments on our website.

We are confident that the summer math and reading assignments will help our students to keep their skills fresh, while also allowing for plenty of time to relax and refresh.

We wish you and your family a wonderful summer!

Brenna Warrell
Principal
